The following Soviet documents were procured in the Soviet Zone of Austria in January 1950:

1. Sheet of paper with the following wording: "Lt Col Tishchenko and Maj [REDACTED] Bronfenbrenner will report to General Rozhkevich tomorrow, 3 December 1949, at 10 a.m. (subject: BTMV-). Transmitted by dut. officer Maj Kratenvy (hardly legible). "  
25X1C
2. Schedule of supply matters to be handled by [REDACTED] in July and August 1949; composed by Gds Lt Col Shunkin, Dpty CO (Supply; certified by Gds Col Shchur, [REDACTED] dated 12 July 1949. The schedule lists the following items: 25X1C
  - a. Field kitchens will be prepared for a field exercise; 50 cubic meters of firewood must be made available; 50 dining tables for the EM messhall in the winter quarters have to be manufactured (responsible: Chief of ration supply and forage section PFS).
  - b. Forage rations have to be made available; stables and barns have to be repaired; work will be performed by the "Auxiliary Economy" (a requisitioned estate producing extra foodstuffs for a unit (responsible? Konyachuk).
  - c. Winter uniforms must be reconditioned; surplus equipment must be turned in to the division depot (responsible: chief of the quartermaster clothing section CVS).
  - d. 1,000 cubic meters of firewood have to be shipped to the Joepiritz (O 49/R 64) railroad station; a billeting plan for the officers in the kaserne area has to be drafted according to the following principle: One apartment for high-ranking officers and unit commanders (presumably down to and including battalion commanders), one room for company commanders, one two-bed room for all other officers. Rooms not required are to be placed at the disposal of the Baden (O 49/A 37) post commander.

-2-

CONFIDENTIAL

Arrangements concerning repair of winter quarters must be made with private firms.

3. Copy-book with training schedules; belonging to Sublt A.V. Suvorov; approved by Maj? (possibly: Trach), CO of the 1st Co, on 17, 22, and 27 October 1949.
4. Photostat of a certificate by the field office for supply of cattle and meat, dated 28 September 1949, indicating the office's [redacted] and chief as Osnerov. 25X1C
5. Soviet Map Sheet E-33-144 (Bruck on the Leitha River) in the scale of 1: 100,000, copied from an Austrian map in the scale of 1:75,000 (1935 - 1937) and a Czech map (1935) and printed in 1944.

[redacted] Comment:

25X1A

25X1C

[redacted]

(2) Lt Col Tisachenko and Gds Lt Col Shunkin were mentioned in the officers' list of the 45th Gds.\*

(3) Maj (Tech Engr) Bronfenbrenner, together with several other officers, including Capt Ya Golentsov and two officers named Titov and Glotov, were mentioned as belonging to a regiment of the Central Group of Forces in a newspaper report covering a party meeting in February 1949 (Za Chest Rodini). As all other officers mentioned in the newspaper dispatch were identified as belonging to the 45th Gds Recz Regt, the three hitherto unknown officers must have served with the regiment at least up to February 1949.\*

(4) General Rozhkevich is unknown. He may be BLMV (Tank and Mechanized Troops) Officer at the HQ of the Central Group of Forces.

25X1C (5) [redacted] was reported in December 1949 as belonging to an industrial combine at 9 Stryeckgasse, Vienna; XXI City District.
